## Section I

|                                                                                      |                                                         |
|--------------------------------------------------------------------------------------|---------------------------------------------------------|
| Manufacturer's Name<br><b>AmeriDerm Laboratories, Ltd.</b>                           | Emergency Telephone Number<br><b>973-279-5100</b>       |
| Address <i>(Number, Street, City, State, and ZIP Code)</i> <b>13 Kentucky Avenue</b> | Telephone Number for Information<br><b>973-279-5100</b> |
| <b>Paterson, NJ 07503</b>                                                            | Date Prepared<br><b>02-01-05</b>                        |
|                                                                                      | Signature of Preparer <i>(optional)</i>                 |

## Section II - Hazardous Ingredients/Identity Information

| Hazardous Components (Specific Chemical Identity; Common Name(s)) | OSHA PEL | ACGIH TLV | Other Limits Recommended | % <i>(optional)</i> |
|-------------------------------------------------------------------|----------|-----------|--------------------------|---------------------|
| <b>None</b>                                                       |          |           |                          |                     |

## Section III - Physical/Chemical Characteristics

|                                                                           |            |                                         |                  |
|---------------------------------------------------------------------------|------------|-----------------------------------------|------------------|
| Boiling Point                                                             | <b>N/A</b> | Specific Gravity (H <sub>2</sub> O = 1) | <b>0.96-0.98</b> |
| Vapor Pressure (mm Hg)                                                    | <b>N/A</b> | Melting Point                           | <b>N/A</b>       |
| Vapor Density (AIR = 1)                                                   | <b>N/A</b> | Evaporation Rate (Butyl Acetate = 1)    | <b>N/A</b>       |
| Solubility in Water<br><b>Slightly soluble</b>                            |            |                                         |                  |
| Appearance and Odor<br><b>White, viscous lotion with an almond scent.</b> |            |                                         |                  |

## Section IV - Fire and Explosion Hazard Data

|                                                                           |                  |     |     |
|---------------------------------------------------------------------------|------------------|-----|-----|
| Flash Point (Method Used)<br><b>N/A</b>                                   | Flammable Limits | LEL | UEL |
| Extinguishing Media<br><b>Select media suitable for surrounding fire.</b> |                  |     |     |
| Special Fire Fighting Procedures<br><b>N/A</b>                            |                  |     |     |
| Unusual Fire and Explosion Hazards<br><b>None</b>                         |                  |     |     |

(Reproduce locally)

OSHA 174, Sept. 1985

## Section V - Reactivity Data

|                                               |                |          |                     |
|-----------------------------------------------|----------------|----------|---------------------|
| Stability                                     | Unstable       |          | Conditions to Avoid |
|                                               | Stable         | <b>x</b> |                     |
| Incompatibility ( <i>Materials to Avoid</i> ) |                |          |                     |
| Hazardous Decomposition or Byproducts         |                |          |                     |
| Hazardous Polymerization                      | May Occur      |          | Conditions to Avoid |
|                                               | Will Not Occur | <b>x</b> |                     |

## Section VI - Health Hazard Data

|                                                            |                           |                     |                          |
|------------------------------------------------------------|---------------------------|---------------------|--------------------------|
| Route(s) of Entry:                                         | Inhalation?<br><b>N/A</b> | Skin?<br><b>N/A</b> | Ingestion?<br><b>N/A</b> |
| Health Hazards ( <i>Acute and Chronic</i> )<br><b>None</b> |                           |                     |                          |
| Carcinogenicity:                                           | NTP?<br><b>N/A</b>        | IARC Monographs?    | OSHA Regulated?          |
| Signs and Symptoms of Exposure<br><b>None</b>              |                           |                     |                          |
| Medical Conditions<br>Generally Aggravated by Exposure     |                           | <b>None</b>         |                          |
| Emergency and First Aid Procedures<br><b>None</b>          |                           |                     |                          |

## Section VII - Precautions for Safe Handling and Use

|                                                                                     |
|-------------------------------------------------------------------------------------|
| Steps to Be Taken in Case Material is Released or Spilled<br><b>Normal clean up</b> |
| Waste Disposal Method<br><b>Normal waste disposal method.</b>                       |
| Precautions to Be taken in Handling and Storing<br><b>None</b>                      |
| Other Precautions<br><b>None</b>                                                    |

## Section VIII - Control Measures

|                                                              |                                             |                       |
|--------------------------------------------------------------|---------------------------------------------|-----------------------|
| Respiratory Protection ( <i>Specify Type</i> )<br><b>N/A</b> |                                             |                       |
| Ventilation                                                  | Local Exhaust<br><b>N/A</b>                 | Special<br><b>N/A</b> |
|                                                              | Mechanical ( <i>General</i> )<br><b>N/A</b> | Other<br><b>N/A</b>   |
| Protective Gloves<br><b>N/A</b>                              | Eye Protection                              |                       |
| Other Protective Clothing or Equipment<br><b>N/A</b>         |                                             |                       |
| Work/Hygienic Practices<br><b>N/A</b>                        |                                             |                       |
